

Aesir 510

SL-ASR510

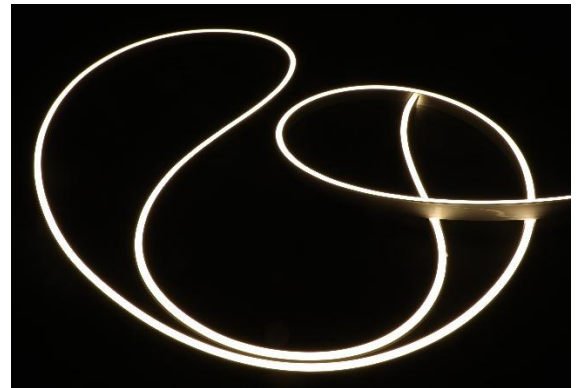

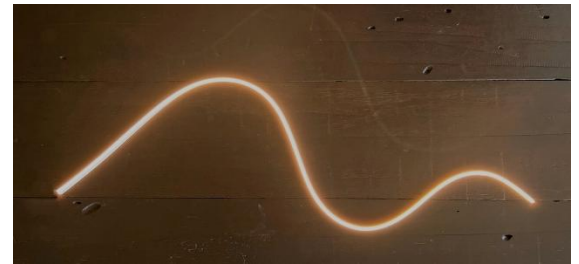

Sleek, recessed lighting, just 5mm wide and able to curve into 30mm bends. That is Aesir 510. At 6W/m and 140lm/m it does not overpower the scene but adds gentle elegance.

Mounted into furniture, hand-rails, or wall-elements you can create intricate designs with up to 10m in a continuous run.

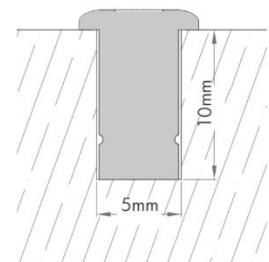

Aesir 510 is IP54 & IK06 and features a 50,000hrs or 5 year warranty.

The colour choice is at peak performance, with CRI-90 as standard.

Installation is recessed into a 5mm wide and 10mm deep channel.
